

Exploring the Shades of the Seashore

The Palos Verdes Peninsula Land Conservancy, Art to Grow On, Inc., and Terranea Resort invite you to an engaging excursion through the coastal sage scrub overlooking the Pacific followed by an opportunity for artists of all ages to create their very own impressionist inspired painting. Participants will explore the colors, shapes and surroundings to find inspiration for their artistic masterpieces.

All art supplies, as well as snacks and drinks, will be provided. Please wear good hiking shoes, and don't forget your sunscreen!
